

Regency Road to Pym Street Project

WORKS NOTIFICATION

March 2020

SA Water works on Pym Street, Croydon Park

The R2P Project has been constructing new water mains along South Road and intersecting streets, between Regency Road and Pym Street. In late March, project works will be undertaken on Pym Street, between Austin Street and South Road, to connect new water mains.

How long will the works take?

Works will be undertaken on Tuesday 24, Wednesday 25 and Thursday 26 March between 7am and 5pm.

How will the works impact me?

During works, **Pym Street between Austin Street and South Road, Croydon Park, will be closed to road users.** Access to bus and emergency services, and residential properties on Pym Street, will be maintained. Advance notice will be provided should there be a need for restrictions. Access will be returned to normal after each day shift.

Road users are directed to use Days Road and Torrens Road, while local traffic is directed to use Rugby Avenue. Road users are also advised to follow the direction of traffic management and observe traffic signage and speed restrictions around the area.

Access for residential waste collection will be managed and we ask residents to place bins for collection as usual on Pym Street.
