

# Regency Road to Pym Street Project

## WORKS NOTIFICATION

December 2020

### *Gantry works along South Road, Croydon Park*

In mid-December 2020, a gantry will be installed in the road verge along South Road, near Rugby Avenue, Croydon Park.

Gantries are the overhead structures used to support mounted Variable Message Signs, Lane Use Management Systems and Closed-Circuit Television (CCTV) (video security surveillance).

This gantry will provide information for traffic travelling in the northbound lanes along South Road.

#### **Nature and time of the works**

The gantry installation works will be undertaken **between 7pm and 6am, Wednesday, 16 and Thursday, 17 December 2020**, weather permitting. Please note that the installation is planned to be completed on the Wednesday night shift, and the Thursday night shift will only be used if required.

A crane will be used to install the gantry, and tools will be used to assemble sections of the steel structure.

Some noise disturbance and vibration can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents as much as practically possible.

#### **How will the works impact me?**

Traffic management and signage will be in place to alert road users to the changed traffic conditions.

To safely undertake these works, there will be a closure of Rugby Avenue, at its intersection with South Road. Local resident access to

## WORKS NOTIFICATION

driveways will be maintained and a detour will be available via Regency Road and Crossley Avenue.

There will also be lane and speed restrictions along South Road northbound, between Packard Avenue and Regency Road.

Road users are asked to plan ahead and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.
