

Regency to Pym Street Project

Business access from 4 - 11 January 2021

Access to Days Road businesses

Early January 2021 traffic changes

From 5am Monday, January 4, 2021 until 5am Monday, January 11, 2021, the overpass centre spans will be transported from the Polonia Reserve compound to their final location, over Regency Road, using Self Propelled Modular Transporters.

This will require a partial closure of the South Road and Regency Road intersection for one week.

Local and business access will be maintained.

Alternative routes for local and business traffic to Days Road will be available via Torrens Road from the south, Regency Road and Torrens Road from the west, South Road from the north and Churchill Road on to Torrens Road from the east.

* Traffic conditions are subject to change, please follow traffic management on site.

LEGEND
