

Regency Road to Pym Street Project

TEMPORARY LOCAL AND BUSINESS TRAFFIC CHANGE:

Early January 2021

North-South Motorway and South Road temporary closures and alternate routes

Early January 2021 traffic changes

In early January 2021, the overpass centre spans will be transported from the Polonia Reserve compound to their final location, over Regency Road, using Self Propelled Modular Transporters.

This will require a partial closure of the Regency Road and South Road intersection for one week.

Local and business access will be maintained.

Alternative routes for local and business traffic include:

- local access to the eastern side of South Road will be available via Regency Road east to the side streets;
- Regency Road east will be accessible via South Road or Naweena Road from the north, Churchill Road from the south and South Road from 6am to 7pm daily or Days Road and South Road from 7pm to 6am nightly from the west;
- local access to the western side of South Road will be available via South Road and Regency Road west, as well as Days Road and Torrens Road; and
- access from the east and north will be via South Road on to Days Road.

* Traffic conditions are subject to change, please follow traffic management on site.

LEGEND

- North-South Motorway and South Road closures
- Alternate traffic routes
- Local and business traffic routes
- U-turn permitted
- Road permanently closed
