

# Regency Road to Pym Street Project

## WORKS NOTIFICATION

January – February 2020

### *Traffic switch and service installation works*

On Monday 6 January 2020, the R2P project team will recommence works and prepare for the first traffic switch.

#### How long will the works take and where will they be located?

##### *Traffic switch*

On Monday 13 January 2020, a traffic switch will take place at the South Road intersection with Regency Road. More information about the traffic switch can be found on the R2P Alliance website (See *R2P January 2020 Traffic Switch – Fact Sheet*: <https://r2palliance.com.au/assets/volumes/general-downloads/R2P-Fact-Sheet-Traffic-Switch-January-2020-APPROVED.pdf>).

To facilitate the traffic switch, the centre median will be removed on Regency Road between Crossley Avenue and Reo Road, Croydon Park. Concrete barriers with 'gawk' screens will be installed along South Road between Lamont Street (Renown Park) and Camira Street (Regency Park). Barriers will also be installed around the South Road intersection with Regency Road (See *Map – January 2020 work locations*).

##### *Services installation*

SA Water will continue installing the new water main along Regency Road. This will be completed in February 2020. A new water main along South Road, between Rugby Avenue and Regency Road, will be installed commencing in January 2020.

Works to install various key utility services under South Road and Regency Road will continue.

During January 2020, the R2P project team will also undertake minor works, locating underground services along South Road, Regency Road and Pym Street.

#### How long will the works take?

Works will commence **Monday, 6 January, 2020** and continue for approximately **four weeks**, weather permitting.

#### How will the works affect me?

When major lane and speed restrictions are required, **night works** will be undertaken between 6pm and 6am, Monday to Sunday. Respite nights will be provided. Day works will continue throughout the construction zones.
