

Regency Road to Pym Street Project

WORKS NOTIFICATION

January 2020

Side street closures reminder

Over the coming weeks, concrete road barriers will be put in place to separate the R2P Project construction zone from road traffic and pedestrians.

What roads are being closed?

Side streets will start to be permanently closed at South Road from mid-January 2020, and will include: Wolseley Road, Minerva Crescent and Packard Avenue. Royce Avenue will also be closed temporarily for an extended period. (See *Map – Concrete road barriers closing side streets at South Road*).

Hudson Avenue will not be permanently closed at South Road until a later date. The R2P project team will advise when Hudson Avenue is scheduled to be permanently closed.

When are the roads being closed?

The barriers will be placed from Tuesday 14 January on night shift. It will take approximately three weeks to place all the barriers and roads will be closed between mid and late January 2020.
