

# Regency Road to Pym Street Project

## WORKS NOTIFICATION

March – May 2020

### *Installation of underground drainage systems*

The Regency Road to Pym Street (R2P) Project is progressing and the installation of underground drainage systems is a key focus for the upcoming months.

#### **How long will the works take? Where will they be located?**

These works will start Monday, March 30, and continue through to May 2020. Drainage will be installed along Pym Street, Regency Road and the North-South Motorway, as well as in the vacant land along South Road, in Croydon Park and Regency Park.

#### *Pym Street*

Works will commence along Pym Street, on both the eastern and western sides of South Road, with two crews and is expected to take approximately three weeks to complete, weather permitting.

#### *Regency Road*

In mid-April, works will be undertaken along Regency Road. Drainage will be installed on both sides of Regency Road, between Reo Road and South Road. It will take approximately four weeks to complete the drainage installation, weather permitting.

#### *South Road*

In mid-May, works will be undertaken along the North-South Motorway, on both sides of the road, between Camira Street and Regency Road, taking approximately three weeks to complete the drainage installation, weather permitting.

#### **How will the works affect me?**

Works along Pym Street, Regency Road and the North-South Motorway will be undertaken at night, between 6pm and 6am, Monday to Friday. Noise impacts will be minimised to nearby businesses and residents, however; some noise will be unavoidable.

Lane and speed restrictions will be required. Traffic management and signage will be in place to alert road users to any changed traffic conditions. Road users are asked to use extra caution when workers are on site, follow the direction of traffic management and observe traffic signage and speed restrictions when travelling through the area.

Works in the vacant land along South Road will be undertaken during the day, between 6am – 6pm, Monday to Saturday.

An area to stockpile material and store equipment will be set up in the vacant land along South Road, near Pym Street. Temporary fencing will be placed around this for safety.

# Regency Road to Pym Street Project

## WORKS NOTIFICATION

March – May 2020

### *Temporary closures of Pym Street*

To safely undertake works along Pym Street, the street will be temporarily closed to road users between Charron Road and South Road, and between Austin Street and South Road.

Access to bus and emergency services, and residential properties on Pym Street, will be maintained. Advance notice will be provided if additional works are required. Usual access will be reinstated after each night shift.

Please note that there will continue to be temporary closures of Pym Street over the coming months to facilitate works. The R2P Project will provide advance notice of any closures.
