

# Regency Road to Pym Street Project

## WORKS NOTIFICATION

February 2021

### *Increased vehicle movement in local streets*

During 19 – 22 February 2021, the R2P Alliance will undertake works to install the new pedestrian and cyclist overpass. At the same time, road asphaltting and kerbing works will be undertaken, as well as the installation of a road gantry and concrete road barriers.

### **Nature and time of the works**

To enable the works to be safely undertaken, there will be a temporary closure of South Road, between Torrens Road and Regency Road, from 7pm, Friday, 19 February 2021, continuously until 5am, Monday, 22 February 2021.

As this section of South Road will be closed, some site vehicle access will be required via local streets in Croydon Park.

### **How will the works impact me?**

From 7pm, Friday, 19 February 2021, continuously until 5am, Monday, 22 February 2021, there will be an increase in site vehicle movement along Days Road and Royce Avenue, to access the construction area along South Road, between Torrens Road and Regency Road.

### **Access to local properties and businesses will be maintained throughout the works.**

You may notice an increase in noise due to the vehicle movements, however, drivers will minimise disturbance to nearby residents and businesses as much as practicably possible.
